Happy
First
Day of
Summer!

Chamber winds down for summer

Elk Point Chamber of Commerce held their final meeting before the summer break last Wednesday, with plans for their annual Canada Day Pancake Breakfast topping the agenda. Grills have been booked, site arrangements made and more workers found. Tourist Information Clerk Sherry Pelech will put her catering expertise to work as she fills a new role as the Breakfast Coordinator. More volunteers would be welcome, and can phone Vic Stepa to indicate their willingness to help out with such tasks as hauling planks, setting up benches, serving and after-breakfast cleanup. Elk Point Co-op manager John Vandenburg reported that his store will be open 11 a.m. to 5 p.m. on Canada Day.

The Chamber's relocated and refurbished bulletin board was worthy of a vote of thanks for volunteer Vern King of the Beautification Committee, who took on that duty for the Chamber. Elk Point is currently blossoming all over, with the newly relocated planters starting to burst into bloom. The Tourist Information Centre boasts two planters brimful of petunias, thanks to local greenhouse operators Vern and Helen Benner.

A request for criteria for determining a Family of the

Year was answered by the Interagency Committee with the suggestion that the Chamber instead honor all families of the area in some way, rather than singling out any particular family. The intent of the International Year of the Family is to celebrate all families, and the local steering committee hopes to do this with a grand finale event on New Year's Eve, at which the Chamber would be welcome to take part.

A tourism report sent in by Tourist Information Clerk Sherry Pelech indicated 99 visitors in the first two weeks of operation, coming from several Canadian provinces and the state of Washington as well as from local areas. Several inquiries had already come in about the location of a cash machine.

Millie Orr reported on behalf of the Agricultural Committee, and told the Chamber about the recently formed North East Alberta Beef Breeders Association, which hosted a bull sale last spring and will be having an open house in October, both in Bonnyville. She feels the organization, which has purebred beef cattle raisers as its members, will be of help to all of northeast Alberta. They are currently making up a map and a directory of all members.

Join our parade!

Elk Point is once again getting ready for Canada Day, and one of the most exciting parts of the day's lineup is the Lions Club Parade. Participants from far and wide are invited to take part in the colorful procession, scheduled for 11 a.m. on Friday, July 1.

Assembly for the parade takes place north of the arena, (except in the case of horses, which assemble at the ex-

treme north end of 51 Street), beginning at 10 a.m., and all entries must be on hand by 10:30 to qualify for judging.

Prizes of \$50, \$40 and \$30 are offered for the top three entries in each of the following categories: Children's Clubs and Organizations, Adult Clubs and Organizations, Commercial Floats, Industrial Floats, Horses and

(Continued on p. 2)

SISTER ACT AND THEN SOME - Four old timers showed up to help entertain the crowd at the Seniors Fathers' Day Supper. Gaby Bayduza on piano, Sharon Poitras and Marge Heffernan on guitar accompanied the grannies, who assured their audience that their 'get up' had been a lot of exciting places, before it up and went altogether!

County mill rate drops

County of St. Paul council members gave their nod of approval to a 1994 municipal budget Wednesday which will see county taxpayers paying pretty well the same rate as last year.

The \$5,973,559 balanced operating budget is about \$300,000 less than last year's budget. Cuts in government funding to municipalities account for the bulk of the decrease, according to county administrator Robert Krawchuk.

"We've had to reduce expenditures to reflect the cuts in grants," he said.

A five per cent cut in employees' salaries across the board earlier this year has "helped a lot" in dealing with reduced government funding, Krawchuk said. County teachers agreed to a two per cent cut effective April 1 and a further three per cent Sept. 1 this year.

The municipal mill rate has been dropped by one mill. This will offset the cancellation of the five per cent discount that used to be offered

to those ratepayers paying their taxes prior to Oct. 31, Krawchuk said.

The deadline for paying county taxes has been moved up by one full month, to Sept. 30. The reason for this is the fact that Alberta Education is now collecting the school taxes from the jurisdictions and then dispersing them. Boards have to make quarterly payments to the department and the new tax date coincides with the Sept. 30 payment.

There is a five per cent penalty for taxes paid Oct. 1 and later and Nov. 1 and later. If taxes are still unpaid by March 1 of 1995, there will be a 10 per cent penalty charged on all taxes in arrears.

The county's 1994-95 education budget has also been passed. The \$13,060,500 balanced budget is about \$790,000 less than last year's, according to superintendent Ted Cabaj. Again, grant cuts from the province, forced the board to trim education expenditures.

The cancellation of the

community school program alone will save the county about \$300,000, he said.

"It was subsidized by the county quite heavily."

Fall enrolments will have a tremendous impact on the budget, Cabaj said. The board has based its figures on enrolments equal to 1993-94. If they don't pan out, coming in under budgeted numbers, it will cause some problems with the budget. County residents can expect their tax notices in July.

Gospel concert goes June 26

Again this year, Elk Point is kicking off their celebration of Canada's birthday with a Canada Day Gospel Concert, scheduled for Sunday, June 26 at 7 p.m. in Elk Point Elementary School gymnasium.

Special guest performer is Lorraine Unruh, a gospel singer from Saskatchewan who is the daughter of Gospel Concert organizer Rev. Sam

(Continued on p. 2)

Join our parade!

(Continued from Front Page)

Riders, Pioneer Vehicles (Antiques and Carriages), Individual Freestyle and Canada Day Theme: 'Families, The Heart of the Matter.'

Youngsters with decorated bikes qualify not only for prizes of \$20, \$15 and \$10, but also for a draw for some exciting prizes. The names of all decorated bike contestants will go into a draw for a rollerblade gift certificate, courtesy of Sunshine Bus Lines, an International Year of the Family t-shirt from FCSS, three prizes of kites from Home Town Grocers, a family pass to St. Paul Aquatic Centre and a family pass to Elite Theatre.

The parade follows the Chamber of Commerce Pancake Breakfast, which goes from 8:30 to 10:30 a.m. on Main Street north of 50 Ave. After the parade, plan to take in the afternoon stage show, beginning at 2 p.m. in the A. G. Ross Arena, with a variety of exciting local entertainment. No birthday party would be complete without a cake, and the Royal Purple will be on hand to serve this one up. The Elk Point Agricultural Society will wind up the big birthday bash with

their traditional double-bandstand dance and bierfest, featuring the music of Moose Mountain and 52nd Street, scheduled for 9 p.m. in the A. G. Ross Arena.

July 1 to 3 is also the weekend of the Peter Fidler Family Reunion, which has a variety of special events planned for the descendants of the fur trader and explorer who is immortalized in the giant statue at Elk Point's north entrance.

Plan now to come on down and get in on all the fun as Elk Point celebrates Canada Day in their usual exuberant style!

Gospel concert

(Continued from Front Page)

Donaldson. The program also includes such local favorites as Lois and Carl Ramer, the Botting family, Rick Petrs, the Heffernans, the Wolters and Rob Holliday. There will also be a congregational hymn sing.

Coffee and juice will be served.

Everyone is welcome, so plan now to take in this very special event.

GIFTS IN THE SPOTLIGHT - The gift shop at Fort George - Buckingham House officially opened for the summer on June 19. Robin Badcock, one of this year's staff members, displays one of the attractive wheat weavings which are among this year's merchandise. Jewellery made by the Fort staff, books, Cree-ations rugs, cute 'Alberta weather forecasters,' books, dream catchers, fish scale art and antler pins are also on offer, with handpainted antique housewares, more jewellery and other additions expected in the near future. The Interpretive Centre also hosted their Fathers' Day celebration on Sunday.

TENNIS NEWS

Linda Shmyr
Instructor

Everything in the world of Elk Point Tennis Club is going great, new members are enrolling daily and old members are returning.

In the street I talk to a lot of tennis players that say they do not play tennis because there's no one to play with. The first thing I say is "join the Tennis Club and meet players."

The second item I mention is the green wall board, which leads us to this year's second **TENNIS TIP:** Benefits of playing against the wall board: 1. The wall is excellent, because you have to focus exclusively on technical development and the power of concentration without distractions of an opponent. 2. You develop self-discipline. 3. You have the opportunity to develop control and steadiness of your strokes. 4. Finally, you do not need a partner.

This little tip on wall board use comes from the Kids' Tennis manual.

Talk to you all next week! Call Linda for any information at 724-3853.

Seniors salute fathers

First Day of Summer **JUNE 21ST**
"Lighten Up!"

Elk Point Seniors Recreation Centre was the scene of a warmhearted celebration in honor of Fathers' Day last Wednesday. A good crowd of seniors and guests gathered for a tasty potluck supper, followed by an evening of fellowship and enjoyable entertainment.

Two special guests at the gathering were Bill and Mildred Demchuk of Myrnam, who have just sold a property two lots west of the Centre to the Pioneer Circle, for use as a parking lot. Mr. Demchuk presented Pioneer Circle President Margaret Modin with the title to the lot, and thanked Mrs. Modin and Sid Holthe for the manner in which the transaction was conducted. Holthe was "a fine person to work with - he was very thorough, and he took care of all the details. We're happy the seniors can use this property."

Other special guests included Pastor Jim MacLellan and Mrs. MacLellan. Pastor MacLellan shared some special thoughts for fathers, and expressed appreciation "that we can come together on this happy occasion." He said that an important characteristic for fathers to have is integrity, and to be "men who can hold their heads high in the community." Like the logo of the Canadian Council of Christian Charities, he said there were "four Cs" involved in integrity: Conviction, to follow through on what one feels is right, no matter what the cost; Compassion, becoming "transparent and open enough to share one's feelings;" Contentment - "we need men who are satisfied in

TURNING OVER THE TITLE - Bill Demchuk (left) turns over the title to what will soon become a parking lot for the Seniors Recreation Centre to Pioneer Circle President Margaret Modin. Sid Holthe helped to facilitate the sale.

their homes;" and lastly, Converted to Christianity: "God is just a prayer away."

A large group of local entertainers provided a musical end to the evening. Gaby Bayduza, Bernice Zapesocki, Rita Sanregret, Marge Heffernan, Sue Bartholomew, Doreen Youngmans, Donna Babcock, Sharon and Bob Poitras, Rob Holliday and John Bennett took to the stage with a variety of instruments and in a variety of combinations with vocal and instrumental selections which set every toe tapping. Two new composi-

tions by Rob Holliday highlighted the program, while other numbers ranged from old favorites to modern country. A four member "sister act" of alleged seniors in sweaters and aprons, accompanied by Sharon Poitras, Marge Heffernan and Gaby Bayduza, provided a touch of hilarity with a tune "thinking about all the places my get-up has been." All performers joined in for the finale, "Show Me The Way To Go Home," as that time crept around, signalling the end to a lovely evening.

FCSS News

Recently, the Alberta Government has introduced a new cash benefit program for Alberta seniors. The purpose of the new program is to streamline several previous programs into one program, and to make cash benefits available to seniors with the greatest need.

The Alberta Cash Benefit Program is being administered by Alberta Community Development and applica-

tions have been sent to all Alberta seniors registered with Alberta Health. The deadline for returning these forms to Alberta Community Development is July 1, 1994.

These forms are also available at the FCSS (Community Services) office and at the Alberta Treasury Branch. If you need assistance in completing the forms, please call Terri at 724-3800.

TELLER OF THE YEAR - Connie Capjack was named Elk Point Toronto Dominion Bank's Teller of the Year for 1993-94 last week, based on her great ability to balance out at the end of the day. Congratulations!

Mortgage backed securities an investment choice

Lang Ellison

Toronto Dominion Bank

In today's low interest environment, the benefits of mortgage backed securities (MBS) are clear - they are as safe as Government of Canada bonds, and they pay better.

A growing number of Canadians - investing as little as \$5000 - have discovered those benefits and have fuelled the explosive growth of these securities, which are now widely available at Toronto Dominion Bank branches, brokerages and other financial institutions. Yet, as a relatively new instrument, the MBS is not well understood by the general public. By gaining an understanding of the investment features which are unique to this product, individuals can determine how MBSs might fit into their investment and savings plans.

BASIC FEATURES OF THE MBS

Mortgage-backed securities are exactly what the name implies - they are investments based on pools of actual mortgages that are assembled by lenders such as

banks. MBSs share many of the same features as mortgages: monthly cash flows, terms ranging from one to ten years, payments which blend principal repayment with the interest, and open or closed mortgage options.

MBS pools range in size from \$2 million to \$250 million, and slices of the pool are sold to investors in blocks as small as \$5000.

MBS investments are eligible for both self-directed RRSPs and RRIFs.

Mortgages within these pools are fully covered by the Government of Canada through CMHC with NHA insurance - providing full protection of the MBS investor's principal and interest, no matter how large the investment might be. Further, CHMC guarantees the timely monthly payments.

SUPERIOR QUALITY AND RETURNS

With the Government guarantees of principal, interest and monthly payments, MBSs have the same high credit rating as Government

(Continued on p. 9)

Our Past

By Steve Andrishak

Prior to the days of modern medicine, man depended solely on home health remedies to fight off illnesses and disease. For hundreds of years, Indian tribes relied on many kinds of herbs and plant roots whenever they became ill. In more severe cases, their witch doctor or medicine man was called in.

Our early explorers and fur traders were often helpless when stricken with some unknown disease and many perished because little was known to combat their illness. Some of the more dreaded diseases of the world during past centuries were smallpox, scurvy, dysentery, diphtheria and cholera.

Thousands of Indians died from different smallpox epidemics of the past years, especially during the 18th and 19th centuries. It was a dreaded disease - one very hard to control. It spread very rapidly, wiping out entire families.

Many of our early explorers and fur traders died from scurvy. For many years the cause of scurvy was unknown. Later it was established that a lack of vitamins, mainly Vitamin C, contributed to this illness. The entire crew of the Franklin expedition of 1845-48 perished from this disease.

Dysentery was common in the United States and Canada during the early years. It was a communicable disease and due, for the most part, to bad sanitation and the eating of spoiled foods which resulted in bad cases of diarrhea. Many

inmates of jails and soldiers fighting the early wars fell victim to this disease.

Diphtheria was another serious disease. It was a dangerous, infectious disease of the throat, usually accompanied by a high fever.

Although there were some cases of cholera in North America, it was a much greater problem in India and Pakistan. This was an acute disease of the stomach and intestines. Very little in the way of home remedies was effective with any of these dreaded diseases.

Our pioneers, many of whom lived in remote areas, were able to overcome certain illnesses by the use of home health remedies. Some of the remedies were proven while others were questionable. A severe chest cold required a hot mustard plaster applied to the chest. A bee or wasp sting was treated with baking soda applied to the area of the sting with a damp cloth - a mixture of mud also had the same results. A sore throat was treated by gargling a solution made up of salt and water.

Our early pioneers had health remedies for stopping nose bleeds, removing freckles, treating bad sprains, curing pimples, sunstroke, colds and hoarseness. There were many other home health remedies as well. A novel health cure for relieving asthma called for a muskrat hide applied to the chest with the fur side facing the skin.

Early pioneers believed

certain foods helped to ward off illnesses. They believed spinach had a direct effect upon complaints of the kidneys. Many thought that dandelion greens were good for the kidneys as well. Asparagus was known to purify the blood, they believed celery acted admirably upon the nervous system, that tomatoes were good for the liver and onions and garlic were good for the circulatory system. White onions were recommended as a remedy for insomnia.

During the last century, especially in the United States, snake oil salesmen made their rounds selling fake medicine. They travelled in a buggy van which carried a large supply of bottled medicine. They always attracted a large crowd by first performing a sideshow. At the conclusion of their show, some long winded snake oil salesman would then address the large gathering, bragging of the many illnesses his snake oil would cure. In many cases his bottled medicine was nothing more than colored water spiked with alcohol. Once the throng was relieved of their money for this useless medicine, the snake oil salesman would leave town and go through the same procedure in another nearby town.

Today, very few home health cures are used. Now people visit a doctor and he writes out a prescription for different pills or medicine which can be picked up at a nearby drug store.

T.I.C. Talk

Sherry Pelech

Tourist Information Clerk

We have finally gotten some fishing information. Walleye (pickerel) and jack fish are being caught at both Laurier Lake and Kehewin Lake but remember there are size restrictions on the walleye, so take a tape measure with you. Because of perceived shortages in the fish population this year, the game wardens are asking fishermen to catch and release walleye at the trophy lakes like

Siebert.

We would like to remind everyone that we could use more local fishing information (or just fish stories - as long as they are not too far-fetched) so please come and visit us at the TIC (Tourist Information Centre).

Use of the Provincial Campgrounds is a bit more expensive this year but the price includes your firewood. And if you camp midweek (Tuesday, Wednesday and Thursday) it will cost you \$2

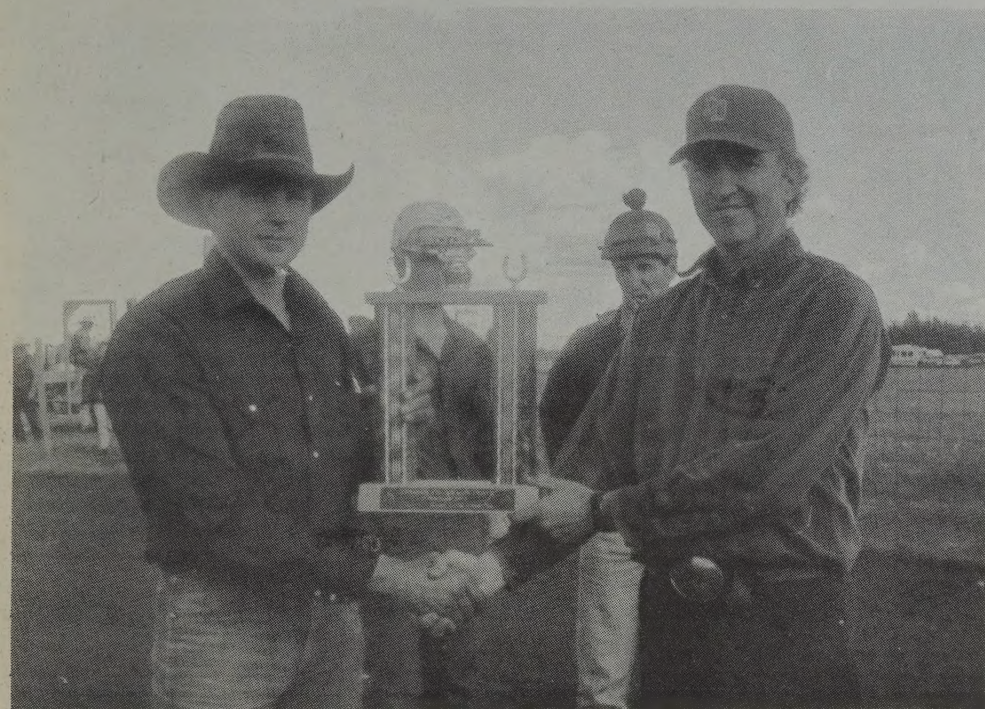

less a night at Ross Lake and Whitney Lake, throughout the summer.

Although this is a slow time of year for tourism, our numbers are up nearly fifty percent from last year at this time. Most of our customers are local but we have had visitors from Ontario, New Brunswick, Saskatchewan, British Columbia, the state of Washington and Holland.

P. S. We now have 1994 Alberta Campground and Accommodation guides!

Bensmiller takes NPCA lead

HOMETOWN CHAMPION - Buddy Bensmiller (left) accepted the Border Credit Union trophy from Dewberry Agricultural Society President Pat Cusack after making this his third winning weekend in a row. In the background are Bensmiller's outriders Wayne Wright (behind trophy) and Dale Grey.

HERE, PIGGY, PIGGY - Wild Pig Races were a popular feature of Sunday's performance, with four different age groups taking their turn to pursue large and agile pigs around the arena with plenty of coaching from the audience.

BEST DRESSED WAGON AWARD - is presented to a representative of the Maynard Metchewais outfit by Pat Cusack of the Dewberry Agricultural Society. Meredith Whiteside UFA donated the trophy.

Buddy Bensmiller swept to the top of the Northern Professional Chuckwagon Association standings with a hometown victory at the 45 wagon Dewberry Chuckwagon Races meet this past weekend, making it his third win in as many weekends.

Bensmiller's D. & E. DeFord outfit had the second fastest running time on Saturday evening and defeated Ray Mitsuing of Meadow Lake by 13 / 100 of a second to win the final performance before a huge and ecstatic crowd for a total time of 2:20.00 flat. Brian Laboucane was second by 57 / 100 of a second, while Bensmiller's Civic Tire and Southview Farms outfit placed third.

Dewberry Agricultural Society President Pat Cusack presented Bensmiller and outriders Dale Grey and Wayne Wright with the Championship trophies from Border Credit Union. Grey also received the Best Outrider trophy sponsored by the Goldsmith Family and \$100 donated by 7B Backoe Service, while Bensmiller received the Fastest Track Time award of \$100 donated by Bernie and Mabel Garnier.

Brian Laboucane, who won Saturday's show with a speedy 1:09.78, won the Dewberry Data Service award for

Best Barrelling Chuckwagon, while Maynard Metchewais won the Best Dressed Wagon trophy from UFA Meredith Whiteside. Harold McCarthy received the Hard Luck Driver award sponsored by Ray's Welding, Brenda and Les Powel, Irish Creek Charolais, W & M Farming and Vernon Gunderson Memorial.

Sunday's performance also included a pony race, with the trophy from Dewberry Woodworks going to Chance Bensmiller, and a hilarious Pig Race. Ervin Garnier sponsored the Heavy Horse Pull.

Disaster was narrowly averted in Sunday's 6th heat, when both Henry Whitstone's and Ervin Quinney's teams got tangled up in the infield. Both of Quinney's pole horses went down and took some time to untangle, but the third wagon in the heat was safely piloted past by Neil Bowey, before the horses were freed unhurt.

The NPCA's top sixteen standings to June 19 are as follows: 1. Buddy Bensmiller; 2. Brian Laboucane; 3. Ray Mitsuing; 4. Dennis MacGillivray; 5. Ray Croteau; 6. Joe Fett; 7. Wayne Dagg; 8. Jim Knight; 9. Luke Tournier; 10. Grant Preece; 11. Herman Flad; 12. Stan Waddell; 13. Ross Knight; 14. Troy Salmond; 15. Stu Napper; 16. Maynard Metchewais.

The Canadian Red Cross Society

Junior Achievement: a glimpse of the business world

Four rival companies have been hard at work in Elk Point for the past ten weeks, as they vied for sales, returns on investments and production figures for their revolutionary, but identical products: ingenious, high-tech pens which remembered what they had written.

Unfortunately for us, the writing public, these high-demand pens were only the invention of a computer simulation. Unfortunately for the young financial wizards, so were the more than \$30,000 in profits obtained from sales of their products.

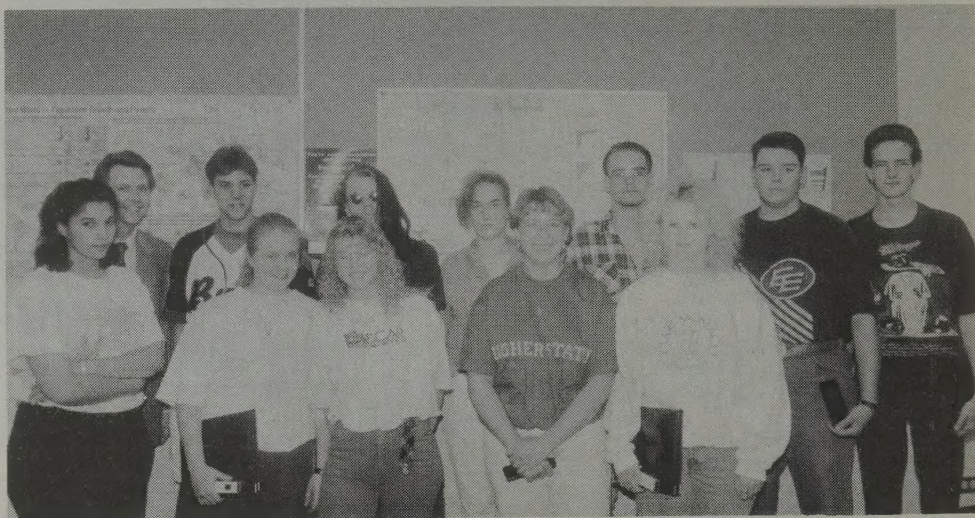

This inside look at the world of business was brought to the group of F. G. Miller High School Grade 11 and 12 students by Junior Achievement, under the sponsorship of the Alberta Treasury Branch. Under the direction of Treasury Branch manager Mel Ryks and FGM teacher Steve Krankowsky, the four companies - BHV Pen, Headbangers, Micropen and TTCD Pen, made their way through five decision levels, determining prices, production quotas, marketing strategies, depth of capital investment and techniques of research and development as part of their Applied Economics course, entitled "Enterprise and Innovation." Theory of private enterprise and entrepreneurship was taught by Krankowsky, while Ryks served as a business consultant, giving "a real world application" involving real decision making, to what they were learning.

During the course, TTCD invested heavily in their factory, thus increasing their production capacity. BHV also increased their capacity, but by a smaller portion. The Headbangers got off to a slow start, but eventually came up with a good profit margin, while Micropen produced at more than their capacity, giving them the highest cost per unit and making their profit margin "always too narrow" according to Ryks' windup remarks.

Both instructors and students found the experience worthwhile. Krankowsky said the students had been "very cooperative - it was an ideal situation... comfortable and open." Young entrepreneur Robert Vankosky said it had been "the most fun thing in school this year." The only problem noted had been getting decisions made on a

timely basis, and instructor Ryks felt it would be helpful to have a business consultant for each of the groups, "to allow more time to answer questions."

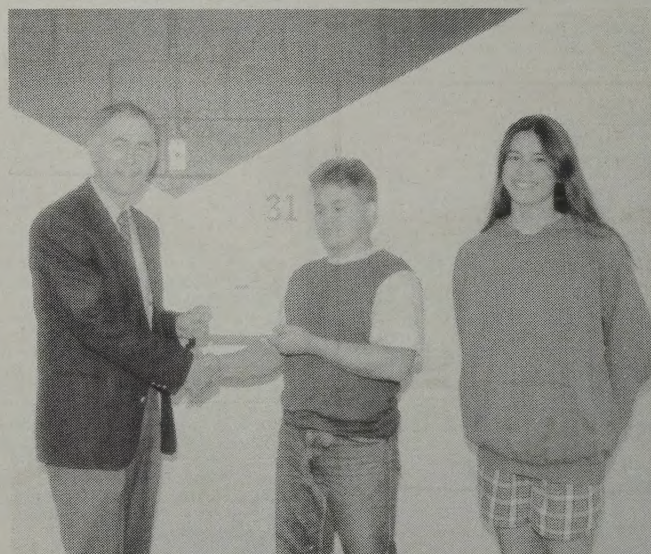

At the conclusion of the course, the companies were scored on their 'performance indicators' as determined by computer, with the winning company being the one which retained the largest part of their earnings. TTCD Pen was the winning company, receiving folders and pens with the Treasury Branch logo. Second place BHV Pen received, fittingly enough, pens, while the third place Headbangers took home sports bags and the fourth place Micropen received wallets. All participants were treated to lunch after the awards.

JUNIOR ACHIEVERS - The young businesspeople who took part in the Junior Achievement project were (front row, left to right) Roberta Bowen, Tina Henderson, Beverly Hillebrand, Jolene Heathcote, Tanya McLaughlin, (back row, left to right) instructor Mel Ryks, Jeremy Hodder, Anthony Bartholomew, Shelly Bourassa, Ryan Lundgren, Robert Vankosky and Chris Bueckert.

JUNIOR ACHIEVEMENT COOPERATORS - teacher Steve Krankowsky (left) and business consultant Mel Ryks shared instructional duties in the Applied Economics unit.

TOWARD SCHOOL SPIRIT - Tim Havener and Robyn Danyluk of the Elk Point 4-H Multi Club presented F. G. Miller High School Principal Jim Hawkins with a cheque designated for artwork which will enhance the school spirit. The proceeds came from the Magic Bus show which was held in the school gym earlier this spring.

County school board honoring retiring teachers

The County of St. Paul Board of Education honored several teachers who are retiring this year after many years of service to county schools, during its board meeting last Monday.

The following teachers were presented with plaques commemorating their dedication over the years (Included are the years they served with the county and the last school they taught at): Isabelle Brousseau (1976-1994, Mallaig), Alphonso Moster (1970-1994, Ashmont Secondary), Alex Boyko (1964-1994, Ashmont Secondary), Steve Krankowsky (1965-1994, F.G. Miller, Elk Point), Albert Boratynec (1961-1994, F.G. Miller, Elk Point), Larry Lambert (1975-1994, principal, Ashmont Elementary) and Kazmir Lazicki (1951-1994, F.G. Miller, Elk Point).

Tuition agreement

Board members will meet with representatives from Saddle Lake to discuss the terms of a new tuition agreement. Education funding for Saddle Lake students used to be transferred to the county from Indian Affairs. However, the department will now turn the money over to the reserve

and in turn the reserve will pay tuition to the county for its students.

Bill 19 Challenge

Trustees voted in favor supporting a proposed Public School Board Association of Alberta constitutional challenge of Bill 19, School Act Amendments, which received approval in late May.

The Alberta School Boards Association has already launched a court challenge of the bill which allows Catholic boards to levy and collect their own taxes for school purposes, but does not provide the same right to public boards.

Prior to launching a similar challenge, the Public School Board Association is seeking direction from its member boards, thus the county vote.

Request denied

The board denied a request from parents of 15 children in the Ashmont School attendance area to bus them to Mallaig School this fall.

Superintendent Ted Cabaj told the *Journal* the board was not prepared to carry the cost of providing extra bus service to transfer these children out of the Ashmont attendance area to Mallaig.

WELL-DESERVED APPRECIATION -- (left to right) Larry Lambert, Alex Boyko, Alphonso Moster, Isabelle Brousseau, Kazmir Lazicki, Albert Boratynec and Steve Krankowsky were presented with plaques of appreciation by the County of St. Paul, recognizing their outstanding contribution to education through the years.

SET TO BE SAFE WORKERS - Participants in the General Entry Level Safety course sponsored by Amoco Canada were (front, left to right) Craig Lee, Crystal Kulczycki, Sharon Boratynec, Heidi Kozicky, Irwin Easthope; (back row, left to right) Industrial Arts teacher Blaine Easthope, Geoff Mehedyn, Conway Roscoe, Mark Woytkiw, Kris Holthe, Amoco representative Ken Astill, Jamie Zacharuk, Bernie Kulczycki, Raymon Bueckert, David Naber, Clinton Povashchuk, Nathan Harper and FGM Principal Jim Hawkins.

Students learn about workplace safety

Fifteen F. G. Miller Senior High students have been adding GELS to their three Rs in recent weeks, as they took part in a General Entry Level Safety training course sponsored by Amoco Canada under their adopt-a-school program.

Ken Astill was instructor

for the six noon hours, which involved a workbook lesson, a quiz and a 20 minute video tape each day, as he taught the group of Grade 10, 11 and 12 students the basics of introductory oilfield and workplace safety.

The program wound up last Tuesday, when each workbook was checked a final time, before Astill and Industrial Arts instructor Blaine Easthope presented the participants with certificates, Amoco hats and key chains.

Seniors' Week at Heritage Lodge

Tracy Kjenner

Activities Coordinator

Around Heritage Lodge, every week could be considered Seniors Week, but as there is a nationally declared one, June 5 to 11 became a bit more special.

Beginning on Sunday, June 5, an Open House, Art and Craft Exhibit was held at the Lodge. Wonderful works were displayed by Carol Hellquist, Sharon Kuhn, Terry Hebblethwaite, Darlene Sereda, Christina Sereda, Helen Havener, Dave and Cecile Fontaine, and some of the lodge residents also displayed items that either they or a member of their family had made. Thanks so much to all the exhibitors. Thanks to Lois Ramer for making the flower arrangements for the tables and to Christina Sereda for her assistance throughout the day.

On Monday, June 6, with the

help of Isabel Myshaniuk, a few residents travelled down to see Barb Croteau at "In Days of Olde." It was a special day for the seniors to experience the atmosphere of the newly opened store. Thanks to Barb for opening especially for the residents of the lodge on her regular day off. The special invitation was greatly appreciated.

Wednesday, June 8, was another busy day at the lodge. Residents and invited guests enjoyed a potluck supper followed by the beautiful music of "Three of a Kind" (Debbie Lawrence, Mathilda Furger, Gwen Morris). Thank you to all those who came and contributed to the potluck supper, and to the three ladies who sang so beautifully.

Outside the lodge many other events for Seniors' Week were also taking place. Thank you to Pastor Jim and his volunteers who so kindly offered to transport lodge re-

sidents to the Community Church Service on June 5. Your cooperation was greatly appreciated.

The official week for seniors completed, let's continue to acknowledge our senior population. Remember, seniors really are "a strength of the family."

Matthews sets new county track records

The winners at the 1994 St. Paul Athletic Association Junior High School County Cup in the girls' division at the Regional high school June 9 were:

* denotes record:

A Girls - 200 metres, Joni Matthews, F.G. Miller, 26.65★; Long Jump, Joni Matthews, F.G. Miller, 4.79; 800 metres, Crystal Kulczycki, F.G. Miller, 2:53.69; Javelin, Janice Makokis, Glen Avon, 19.56; Hurdles, Tamara Pilipchuk, Glen Avon, 19.56; High Jump, Krystal Ference, Racette, 1.44 metres★; 400 metres, Joni Matthews, F.G. What's News at the Library

Ready for the rip-roaring reading rodeo!

Hi, everyone! The Elk Point Public Library is once again offering the Summer Reading Program entitled "Reading Rodeo." This summer we will be learning about the life of the cowboy in all aspects, be it rodeo, farming, 4-H, and more. Our own community is rich itself with its own host of cowboys, cowgirls, ranchers, farmers and more.

Billie Milholland will be coming to the library to tell us her own 'horse' stories, Charlene Baker will demonstrate how to get ready to ride and Val Goulet will be joining us to show us some line dancing steps. The program promises to be one filled with exciting

stories, crafts, activities, games and much more.

Through this program, children have a place to come and have fun, and meet new friends. It also allows the children to keep up on their reading skills and learn the benefits of the library. It'll be great fun for everyone.

The Elementary program will be held Tuesday mornings at 10 a.m. starting July 5. The Preschool program will be held Friday mornings at 10 a.m. starting July 8. The times each day may vary but an average of 2 hours will be allotted. Both programs will run until the end of August. The children in the Element-

tary program are requested to be independent readers. There is a small cost of \$1 per child to help with costs. For more information or to register your child, come in to the library or contact Diane at the library at 724-3737. We hope to see you all this summer. Thank you.

LIBRARY CALENDAR:

Fri. June 24 - FUN! FUN! FUN! Storytime will be holding a beach party before it breaks for the summer. Kids are asked to wear their bathing suits and bring a towel, a change of clothes and any beach toys (beach balls, frisbees, etc). A word to parents: if the weather is nice, the

party will be held outside and water will be involved.

DID YOU KNOW?

The first real baseball game on record with set rules was played in Hoboken, New Jersey on June 19, 1846.

Farewell Reverend Sam

Come and spend an evening of fellowship and song with Sam and Laura Donaldson as we wish them well on their new journey.

**Elk Point United Church
Friday, June 24, 1994
7:00 p.m to 10:00 p.m**

Lunch and social hour to follow. Contributions for farewell gift optional.

Mortgage backed securities

(Continued from p. 4)

of Canada bonds. In short, they rank with the GOC bonds as the lowest risk investments in the country. Yet since MBSs were introduced in 1987, their yield has been consistently superior to those of GOC bonds and GICs.

OPEN vs. CLOSED

MBS pools may contain closed mortgages, where the mortgage borrower has no prepayment privileges, or open mortgages, where the borrower may prepay. Closed MBSs are the most popular choice for individual investors; because the borrower cannot prepay, the returns and monthly cash flow payments are predictable. With an open MBS, the risk of prepayment by borrowers means investors in an open MBS may receive a large and unpredictable portion of their principal before maturity. Due to this risk, open MBSs tend to pay a slightly higher yield than closed MBSs.

MONTHLY PAYMENTS

Unlike most other fixed income investments, MBSs pay monthly rather than semi-annually or annually. For investors seeking a steady income stream - retired people, for example - this is an important benefit. For those who seek to reinvest rather than spend the income, monthly payments may or may not be an advantage, as monthly reinvestment requires a more active role on the part of the investor. Investors who are not interested in such a role would be advised to consider mortgage mutual funds as an alternative, where income payments can be automatically reinvested in additional units of the fund.

Another important feature of the monthly payment structure of the MBS is the combination of interest and

principal repayment. The blending of interest and principal is the same as the blending on a mortgage, with the amount of principal repaid increasing gradually over time. With a five year MBS, approximately 4 to 8 percent of the principal would be paid during the course of the monthly payments, so the investor would received 92 to 96 percent of the initial investment at maturity.

This feature enhances the monthly income stream to the investor. However, if capital growth rather than monthly income is the investor's major goal (as in an RRSP), then the investor should develop a reinvestment strategy for the monthly cash flow.

LIQUIDITY

If an investor decides for whatever reason not to hold the MBS to maturity, it can be sold on the secondary market. As with other fixed income investments, the selling prices of an MBS on the secondary market track the yield curve - rising in price and providing the opportunity for capital gains if interest rates decline, while dropping in price and creating a capital

loss if interest rates rise.

FUTURE PROSPECTS

There is every indication that the MBS market - which now exceeds \$18 billion - will continue to grow rapidly in Canada. That means increasing choice, convenience and availability for investors. As high quality instruments with attractive returns and monthly cash flows, MBSs should soon become a standard feature in your investment and savings portfolio.

For further information, contact your financial institution or investment advisor - or call TD's Green Infoline at 1-800-637-2092.
